DIRECTIONS: *Idaho Falls, US 20 N for 25 mi; take Exit #333 and head W on ID 33 for 5 mi; after crossing the river, take a L into the marked park.*

Located along the water, Beaver Dick Park is a fabulous place to bird year-round. In the winter, Northern Shrike, Common Redpoll, Common Merganser, and American Tree Sparrow are present. During spring and fall, migrants of all kinds can occur, including Orange-crowned Warbler, White-crowned Sparrow, and Hermit Thrush. Bullock's Oriole, Red-naped Sapsucker, and Wood Duck can be found with families during the breeding season. There is a walk-in access point to Cartier Slough WMA at the back of Beaver Dick Park.
